Liberation

Liberation is a stage between two lives. The one we leave behind
and the one that is to be born. Like skin, we shed what once was us.
But birth is painful, and this time we are both; mother and child.

Kimono Dragon

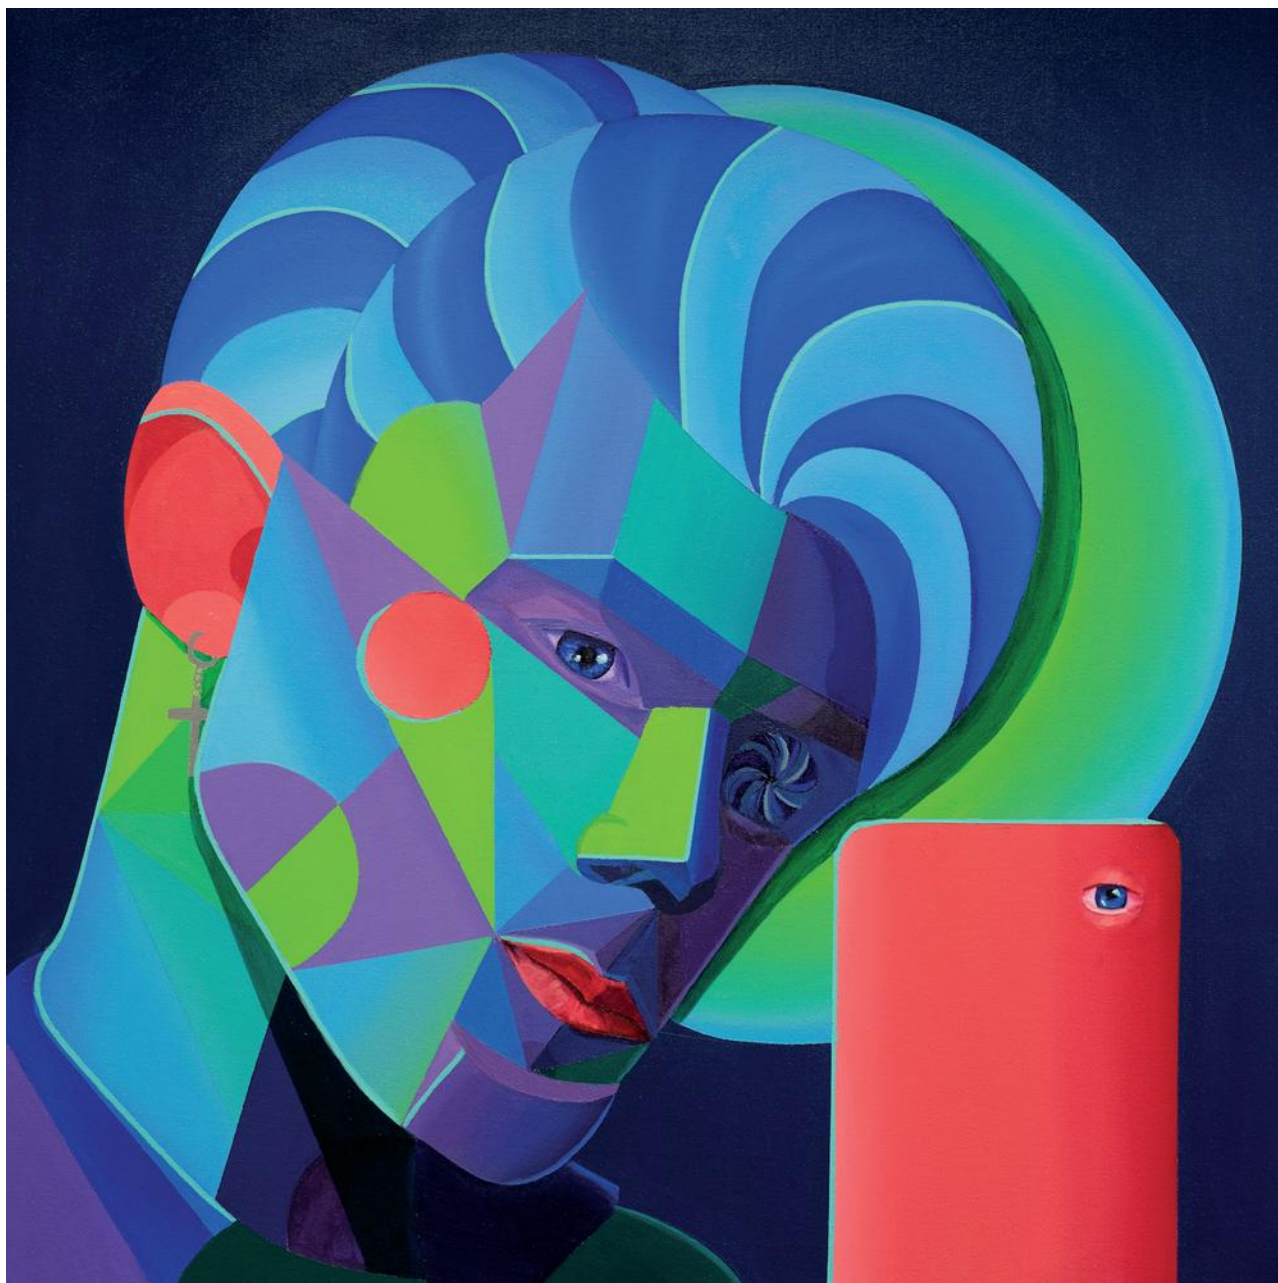

"Kimono Dragon" encapsulates the utter surrealism of those moments between slumber & consciousness. A dreamlike state; the twilight moments of the mind. Unravelling the tales from within with film.

Dimension parallèle

This is the perfect random morning, my reality in a parallel dimension.
Dream kitchen, a fried egg which smiles to motivate you,
and a gourmand dog that I would like to look one day.
